

\$123,729 for Athens and \$1,075,116 for Belmont

WASHINGTON, D.C. – Congressman Charlie Wilson (OH-6) is pleased to announce that the U.S. Department of Housing and Urban Development (HUD) is awarding \$123,729 to the Athens Metropolitan Housing Authority and \$1,075,116 to the Belmont Metropolitan Housing Authority from the 2010 Capital Fund Program.

The Capital Fund provides money annually to Public Housing Agencies for capital and management activities, including modernization and development of public housing. For example, in Belmont the money will help fund new roofs, gutters and necessary concrete work.

“Access to affordable housing is so important, especially in this economy,” Wilson said. “Both Belmont and Athens have great track records and I’m pleased that they’re receiving the federal support that they need and deserve.”
